

UNITED STATES PATRIOT ACT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. When you open an account, we ask for your name, address, telephone number, date of birth, social security number or TIN, employer, driver's license number and other information that will allow us to identify you. We may also ask to see a copy of your driver's license, picture ID, or other identifying documents.
